Art Glass with Cremins

Made with care in Crescent's own custom built glass studio.

The process combines cremains with the art of glassmaking to create a work of art that is as one-of-a-kind as the loved one it memorializes. Each unique Art Glass design is a stunning work and an exquisite way to memorialize your loved one in the home. Also, many families choose pendants for each family member. Each breathtaking piece offers a special remembrance of a cherished life, reflected through form, color, and light. In the midst of the beautiful, artistic colors, the cremains look similar to white sea foam with swirling bubbles. Each piece of art glass is a one of a kind memorial. No two pieces look the same.

Everafter Collection

Together Forever Companion Urn

30-R-1007

This urn from The Everafter Collection, is truly a work of art! It holds approximately 410 C.I. of cremated remains and comes with a removable interior divider. It loads from the bottom and is only 9 7/8" high and 9 7/8" wide by 7" in depth, allowing it to easily fit into any Cemetery Niche. The upper corners of this urn can be engraved with your beloved partner's information. As an option to engraving on the urn, we have created a 5" x 2" curved stone plaque that can be engraved any time in the future and simply glued directly over the center framed area of the urn. This avoids having to re-ship the urn back and forth, for any future engraving requirements.

The leather-like design wraps around the entire urn, helping create the appearance of holding two vessels together. It comes standard with the engraving "Together Forever" and is beautifully embellished with two hearts, representing two unique and loving partners. Across the center of the top is another beautiful carved scroll design that compliments the carvings on the front. A truly remarkable companion urn, sure to touch the hearts of all who see it...

Dimensions: 9.875" W x 7.5" D x 9.875" H, 410 C.I. Cultured stone. 17 LBS.

Life Print Memorial Keepsakes®

Life Print Keepsakes are created by using a combination of traditional jewelry techniques, modern technology and your loved one's fingerprint. Offering a physical touch to a loved one's life, they are created from two-dimensional ink prints that are then replicated onto, .925 sterling silver, 14k rose, yellow or white gold. All of the designs can be custom engraved on the back. These cast pieces are quality family heirlooms that can be passed down from generation to generation. Many families choose to have Life Prints made for the entire family and close friends. The various and unique custom combinations allow for a beautiful, personal, and lasting connection to the ones we love.

The Lord's Prayer
Our Father, Who art in heaven, Hallowed be Thy name.
Thy kingdom come: Thy will be done on earth as it is in heaven.
Give us this day our daily bread. And forgive us our trespasses,
as we forgive those who trespass against us. And lead us not into
temptation, but deliver us from evil. For Thine is the kingdom,
and the power, and the glory, for ever and ever.
Amen.
